

Permanent or freelance assessors/IQA roles in HS&C, ICT & Customer Service required UK National

We are looking for permanent or freelance assessors/Trainers & IQA roles in Health & Social Care, ICT, Child Care and Customer Service required for London and UK National.

Due to an expansion, we have an opening for experienced Health & Social Care, ICT, Customer service Assessor/Trainers & IQA's. This role comes with a competitive salary and excellent benefits package which includes, ongoing training & development, career progression and competitive holiday entitlement.

The successful candidates must be occupationally competent, hold PTTLS (can be working towards) and hold their TAQA or IQA qualifications or equivalents such as V1, D32/33/D34, A1 or equivalent.

Ideally with at least 12 months teaching/Assessing experience would be an advantage. The individual must be reliable, professionals and have knowledge of QCF Standards and requirements.

The candidates must be competent to assess and verify learners from 2 to 3 including functional skills on Apprenticeship programme in both Adults and Children programmes.

If you would like to apply, please email me your most recent CV and I will call you as soon as possible to discuss further.

Please reply to this advert with your Cv.
